GROWTH PORTFOLIO REPORT

December 31, 2014

THE STEVENSON VOOYS GROUP

This presentation has been prepared by Richardson GMP Limited, with the assistance of Dimensional Fund Advisors Canada ULC, manager of the Dimensional Funds. Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.

The returns and other characteristics in this presentation are based on performance of actual funds in the model portfolio. Model performance shown includes reinvestment of dividends, capital gains distributions, and other earnings but does not reflect the deduction of investment advisory fees or other expenses. To obtain current month end performance information for the Dimensional funds please visit www.dimensionalfunds.com. Indexes are not available for direct investment, and their performance does not reflect the expenses associated with the management of an actual portfolio. All data is in Canadian dollars and net of fund MERs for Class F units.

This page sets forth the target weight and historical return information, as of December 31, 2014, of a hypothetical portfolio of the listed funds. The proposed portfolio of funds is provided by Greg Stevenson, Richardson GMP Limited. Commissions, trailing commissions, management fees, and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. Mutual funds are not guaranteed; their values change frequently, and past performance may not be repeated. The indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any security holder that would have reduced returns.
